### Iraqi child leads IIF to cache

MOSUL, Iraq – Iraqi soldiers in the process of investigating an ambush site were surprised to have a child approach them and lead them to a small weapons cache June 8, according to a multinational forces report.

Iraqi soldiers with the 2<sup>nd</sup> Brigade, 3<sup>rd</sup> Division Iraqi Intervention Force followed the child to a nearby location where they found two rocket-propelled grenades, one RPG launcher, and two hand grenades.

No injuries or damages were reported.
